

I didn't think I would be employable with my limited work experience that I have confidence in myself that I AM employable and I CAN learn new things by trying. And in the process, I have found something I really love - carpentry. (Thank you, William

every day! What I have gained from my BladeRunners experience cannot be measured in ^{JUST} dollars earned or certificates passed. I have made a diverse

Support & Encouragement

Bladerunners provided support & motivation when it was badly needed.

I feel that Bladerunners is the step that was needed to help me move forward into a productive adulthood.

really enjoyed it. When I first started, it felt empowering to be ~~one of~~ ^{a part of} the first all women group. I feel proud to be a part of a mature group of women looking toward a better future.

It has opened my eyes to different opportunities, including Apprenticeships, which never occurred to me before. I have greater goals for myself now.

I'm no longer just a stay-at-home mom, I'm giving my children a better future...
